MPW SUPPLY CHAIN NEWSLETTER – FEBRUARY 2018

MPW, TRANS TASMAN SPECIALISTS

Did you know MPW Supply Chain Consultancy is run and owned by a Kiwi? Sweet As!! So if you need to talk about Jandals, Chilly Bins, and the All Blacks, we've got you!

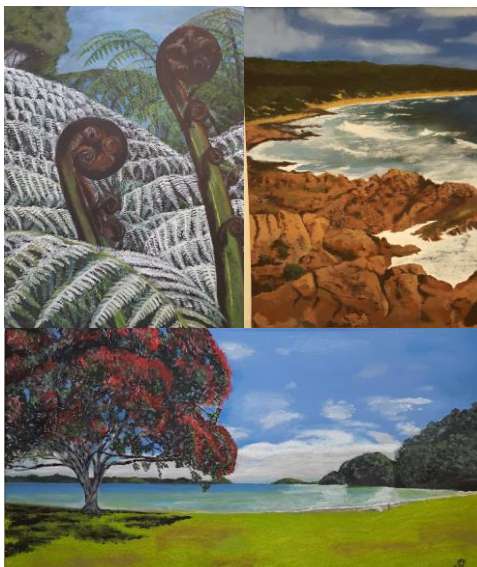

With more than 13 years expertise assisting clients in dealing with New Zealand, MPW is the best option if you want to either purchase goods from New Zealand or sell them yours. New Zealand may be a different country, but it doesn't mean you have to treat them that way! We always joke that NZ is just another state of Australia, time to deal with them the same way!

Head over to our [website](#) to find out more!

FUN FACT, I ENJOY DOING ART.

Something you may or may not know about me is my love of painting. It's a fun way to relax, plan my week, and most of all de-stress. All paintings are from original photos where possible.

1 DAY TO GO UNTIL CHINESE NEW YEAR!

Don't forget that from Friday the 16th of February 2018 it will be Chinese New Year.

This year celebrates the year of the Dog according to the Chinese zodiac starting from February 16th, 2018 and finishing February 4th 2019. The Dog is the eleventh in the 12-year cycle of Chinese Zodiac and is regarded as auspicious. If it happens to come to a house it symbolises the coming of fortune!
